# AMM

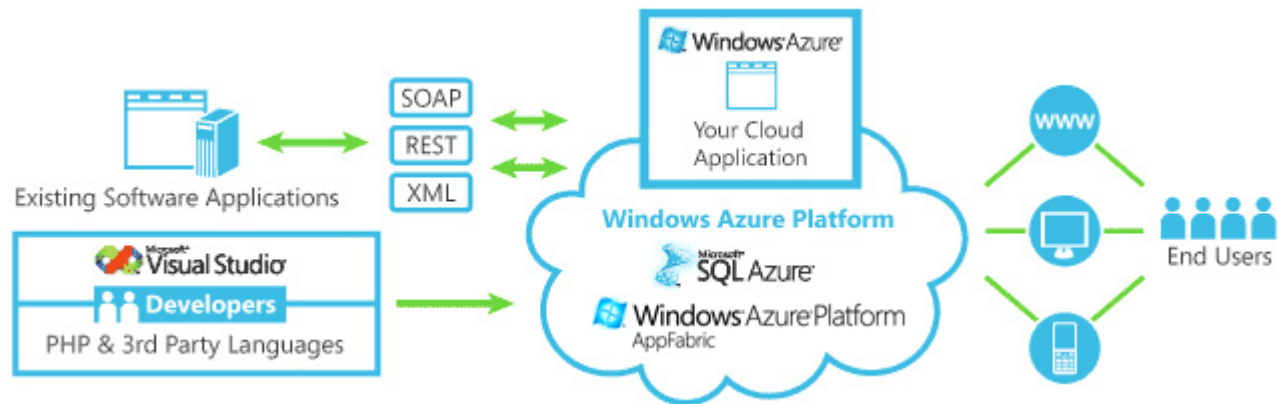

Area	Level	0	1	2	3	4	5	6	7	8	9	10	11	12	13
Defining architecture			A			B			C						
Use of architecture				A			B				C				
Involvement of business			A				B				C				
Involvement of development process				A				B		C					
Involvement of operations						A			B			C			
Relation to current situation						A				B					
Roles and responsibilities					A		B					C			
Coordination of activities								A			B				
Controlling					A		B		C		D				
Quality management									A		B				C
Maintenance architecture process								A		B		C			
Maintenance architecture deliverables						A			B					C	
Commitment and motivation			A					B		C					
Architecture roles and training					A		B			C			D		
Use of architecture method					A						B				C
Consultation				A		B				C					
Architecture tools								A				B			C
Estimation and planning					A							B		C	

# Datormolnet

- Vad är datormolnet?

# Windows Azure

# Migreringen

- Vad vi gjorde
- Hur vi gjorde det
- Hur blev det?

# Applikationsöversikt

## DYA® ARCHITECTURE MATURITY MATRIX
