

1. Introduction	4pp
2. Background	10pp
○ Introduction	1p
○ Home automation	3p
○ Mobile Interface	5pp
○ Chapter summary	1p
3. Project design	16pp
○ Introduction	1p
○ Overview Diagram + explanations	10pp
i. Diagram	1p
ii. Components	2pp
iii. Communication Links	1p
iv. Controller Objects	2pp
v. Database Tables	2pp
vi. Event Descriptions	2pp
○ Project scenarios (4)	4pp
○ Chapter summary	1p
4. Project implementation	14pp
○ Introduction	1p
○ System Implementation	8pp
i. Components	2pp
ii. Communication Links	2pp
iii. Controller objects	2pp
iv. Database Tables	2pp
○ Project Scenarios & Event Handling	4pp
○ Chapter summary	1p

5. Results and evaluation**7pp**

- Introduction 1p
- Scenario 1 Evaluation 1p
- Scenario 2 Evaluation 1p
- Scenario 3 Evaluation 1p
- Scenario 4 Evaluation 1p
- Prototype Evaluation 2pp
- Chapter summary 1p

6. Conclusions**6pp**

- General summary 1p
- This project - evaluation 1p
- This project – recommendations for improvement 1p
- Future work 2pp
- General conclusions 1p

Total number of pages

57pp**References****Appendix A**

- Prototype Controller Objects

Appendix B

- Database system – entity-relationship diagram

Appendix C

- **Code**
