

Revision – Exam technique

- **5 hours** → 300 minutes; 40 points → 7.5 minutes/point
- **5p question** → 37,5 minutes (-reading/checking) → **30 mins**
- Read all the questions first!
- Order according to difficulty → **do the easiest first** etc.
- Keep to time (discipline!)

- **Prepare** model answers in advance (read previous exams)
- **Sketch** your answer first (mentally or on paper)
- Answer questions in **detail!!!** (**½ page is NOT enough**)
- Answer the question **asked!!!**
- **Use pictures and diagrams AND textual explanation**
